

February 4, 1981

LR 14
LB 1

or encouraged me to sign and present this Resolution along with Senator Fenger, and I am out of breath so I will make this short. I should get here earlier and that way I wouldn't have to run so far, and fast. Bob Gibson, it seems appropriate that we honor Bob Gibson in this way because of the great contributions that he has provided not only as a business man but as a sports hero, as a solid citizen and as an example, and maybe most importantly as a positive example for our children. The kind of determination, strength and leadership that he has provided Nebraska, the kind of pride that Nebraskans have in his great accomplishments are representative of the finest tradition in athletics and in the business community. With that, I encourage this body to designate Bob Gibson Day on his birthday and to give him the acknowledgement that he so well deserves.

SPEAKER MARVEL: All those in favor of the adoption of the Resolution vote aye, opposed vote no. Have you all voted? Record.

CLERK: 34 ayes, 0 nays on adoption of the Resolution, Mr. President.

SPEAKER MARVEL: Motion is carried. The Resolution is adopted. The next order of business is #5 which is Final Reading, and the rules indicate that all legislators will be in their seats on Final Reading and that no unauthorized personnel will be on the floor. We cannot start Final Reading until those requirements are fulfilled. We have 30 minutes of Final Reading. We cannot do anything until everybody gets to their seats, and those who are attempting to hide, I suggest that you stand up and follow the rules. Once more. The Clerk will read on Final Reading LB 1, as soon as all legislators are in their seats. The Clerk will read on Final Reading LB 1.

CLERK: (Read LB 1 on Final Reading.)

SPEAKER MARVEL: All provisions of law having been complied with, the question is, shall the bill pass? Those in favor vote aye, opposed vote no. Have you all voted? Senator Chambers, for what purpose do you rise?

SENATOR CHAMBERS: Point of information, Mr. Chairman. The bill lists Senator Frank Lewis as an introducer and since he is not a member of the 87th Legislature, I am wondering if that makes any difference. It is just for a point of information.
